## 2. THE GOODNESS OF THE LORD

*Solo*

Whenever I consider just where God brought me from,  
The life of emptiness I lived without God's Son,  
My heart cries "Hallelujah," 'cause the Saviour rescued me.  
Without His precious love, where would I be?

*Chorus: Altos & Sopranos, Tenors come in on 4<sup>th</sup> line*

I would be lost, I would be drifting like a ship on stormy seas  
Without the sacrifice that Jesus' life affords.  
I would be dead within my sin, forever longing to be free,  
If it had not been for the goodness of the Lord,  
If it had not been for the goodness of the Lord.

*Solo*

Since the day He saved me just look where I've come from,  
I'm now being made into the likeness of God's son.  
I have this blessed assurance since the Saviour rescued me.  
Without His precious love where would I be?

*Repeat Chorus, adding Tenors on 3<sup>rd</sup> line.*

If it had not been for the goodness of the Lord.

*Solo*

Jesus brought me out of darkness into His marvellous light,

## 8. THIS IS HOW IT FEELS TO BE FREE

### *VERSE ONE*

*Solo*

There's a wall that has been standing since the day that Adam fell.  
Sin is where it started, sin is why it held.  
Speaking as a pris'ner who was there and lived to tell,  
I remember how it felt.  
I can hear the sound of freedom, like a distant voice it called  
And beckoned me to follow where I had never gone.  
Though my heart was willing, I just stood there at the wall,  
Praying somehow it would fall.  
But in a cross I found the doorway and the hand that held the keys.  
When the chains fell at my feet for the first time I could see.

### *CHORUS*

*All*

This is how it feels to be free, this is what it means to know that I am forgiven.  
This is how it feels to be free, to see that life can be more than I imagined.

*Solo*

This is how it feels to be free, yeah!

*All*

This is how it feels to be free, yeah!

### *VERSE TWO*

*Solo*

There are days when I'm reminded of the prison I was in.  
Like living in a nightmare burning deep within.  
I can feel the voice of evil, I can hear the call of sin,  
But I won't go back again.  
See, once I tasted freedom and the chains could bind no more,  
Mercy gave me wings to fly, like an eagle I can soar.

### *CHORUS: All*

*Solo (key change)*

Somewhere there's a prison where the chains still bind.  
There, but for the grace of God, those walls would still be mine.

*All*

So, for all the captives I say:

*CHORUS minus last phrase: All (key change)*

*CHORUS: All*

This is how it feels to be free, yeah!

This is how it feels to be free.

## 9. GOD IS STILL DOING GREAT THINGS

*Solo*

Are you standing in need of a miracle today?  
Even doctors don't know what to do.  
God is able to make a way from no way,  
He's still able to carry you through.  
If we would just learn to trust and obey,  
We'd find that our Saviour turns darkness into day.  
He alone can handle the challenges life brings.  
God is still doing great things.

*Chorus: All*

God is still doing great things, His pow'r has never changed.  
Yes, God is able to transform your life,  
God is still doing great things.

*Solo*

If we let God's power work deep within  
He's able to do more than we can comprehend.  
He alone can handle the challenges life brings.  
God is still doing great things.
